Dear Gentlemen:

The Agency has on file your RCRA Part B permit application dated July 12, 1984 and additional information dated October 22, 1984, November 4, 1984, January 8, 1985, April 9, 1985, January 29, 1986 and February 3, 1986 and received July 16, 1984, October 23, 1984, December 4, 1984, January 11, 1985, April 15, 1985, February 3, 1986 and February 6, 1986. The application requests a Part B permit to construct and/or operate a container storage area (S01) and a waste pile (S03).

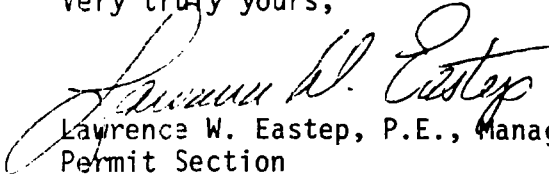

The Agency is preparing to review your application as identified above. In order to avoid any misunderstanding concerning the review of your application, please send a written response to the following questions by August 17, 1987:

1. Does the listing of application material identified above constitute what you consider your complete and current Part B permit application? If not, please explain in detail, referencing any omissions or inconsistencies.
2. Do you still wish to pursue a Part B permit as requested in your application? If not, please explain in detail and include reference to any correspondence which this Agency should have on file that identifies such a deviation.
3. If you are planning to revise your application in any manner, please identify what type(s) of revision(s) you are planning and your schedule for submitting such a revision.
